predmet je možné zapísať na študijnom oddelení!**

Lecture 1 : 27. 02. 2013
extended registration

Lecture 2 : 06. 03. 2013

Biennale as a battleground: confronting paradigms and architectural anamnesis in the context of the Venice Biennale.
Back to the basics: the long lost art of drawing – BorderLINE Architecture, or else the culture of the off-architecture.

Lecture 3 : 13. 03. 2013

On the BorderLINE – the spaces of nonsense, space-occupations in contemporary design in architecture

Lecture 4 : 20. 03. 2013

Design as a star maker: the new society of architects. The ALESSI project and its consequences on the role of architects

27. 03. 2013

Spring holiday

Lecture 5 : 03. 04. 2013

The consequences of the economical crisis: the changing role of architecture, alleged and real aftermaths of the crisis

Lecture 6 : 10. 04. 2013

Devastated places: the hidden agenda of architecture (to make people's life better)

Lecture 7 : 17. 04. 2013

Devastated lives: the hidden agenda of design (to make people's life better)

Lecture 8 : 24. 04. 2013

Devastated cities: The long lost art of urbanism - UTT and the desire for the "favela"

Lecture 9 : 15. 05. 2013

Provincialism, mutation, deviation: fashion as the best of the form-makers

Lecture 10 : 22. 05. 2013

Still Warm: Slovakian Design and Architecture NOW. The freshest developments in contemporary Slovakian design and architecture. Conference day with the
