

THREE SISTERS

OKZHETPES ROCK AND LAKE BOROVOE - state National Natural Park "BURABAI"

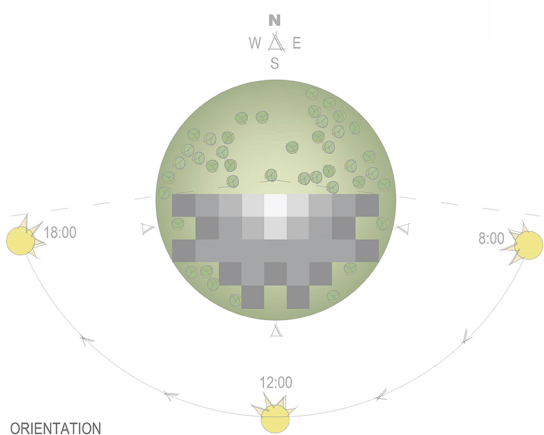

One of *kazakh legend* is connected with mountain Okzhetpes. *Three sisters* of Ush-Kyz had a one brother Zheke-Batyr who protected them from enemies in fight. But there were a lot of enemies and they have surrounded three sisters and batyr with a *dense wall*. And in order not to be taken prisoner three sisters and the brother have raised one after another a wall and have hardened, having blocked that access to native land Arman showed the chain of mountain tops

Three Sisters (Ush-Kyz) - *three rocks: big, middle and small.*

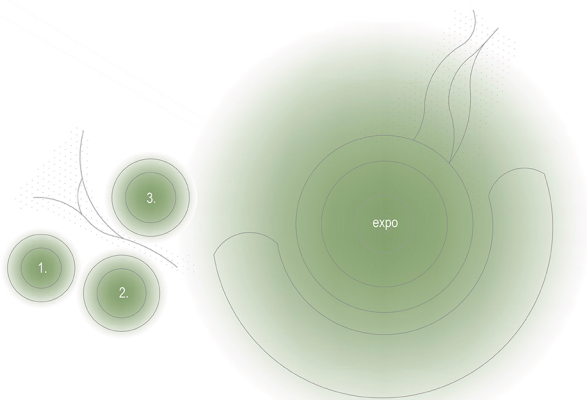

„Water in Burabai is more transparent then dew,
And the coast has accreted its kind wood.

There was a *dense wall* around the lake

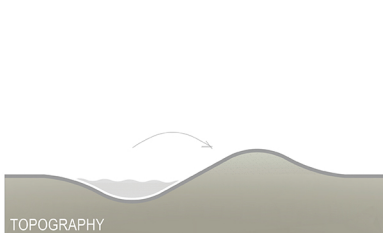

From pines of high and slender birches ...”
