

18TH

INTERNATIONAL SYMPOSIUM

WMHE 2024

Water Management & Hydraulic Engineering

The Faculty of Civil Engineering of the Slovak University of Technology in Bratislava, Slovakia invites all researchers, engineers and professionals working in water management and hydraulic engineering to participate in the **18th International Symposium on Water Management and Hydraulic Engineering (WMHE 2024)**.

When and where

September 10th – 14th, 2024 Štrbské Pleso, High Tatras, Slovakia

Topics and Themes

- Hydraulics and Hydraulic Structures
- Water Resources Management and Hydrology
- Sanitary and Environmental Engineering, Sustainable Water Use
- Geotechnical Engineering
- Climate Change and Flood Risk Management

Important Dates

Abstract Submission:

15th March 2024

Notification of Abstract
Acceptance:

30th March 2024

Full Paper Submission:

15th June 2024

FACULTY OF CIVIL ENGINEERING
"Ss. Cyril and Methodius University"

10-14TH September | Štrbské Pleso, Slovakia

18TH

INTERNATIONAL SYMPOSIUM

WMHE 2024

Water Management & Hydraulic Engineering

Programme

10 th September	Arrival and Icebreaker
11 th – 12 th September	Opening Ceremony, Plenary and Poster Sessions
13 th September	Field Trip
14 th September	Departure

Field Trip

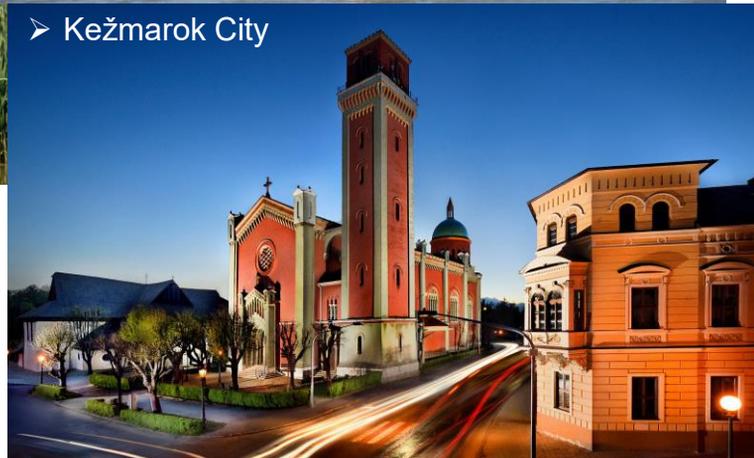

- Small Hydro Power Plant Turbína in Huncovce – in operation since 1910

➤ Dunajec Wood Rafting

➤ Kežmarok City

Registration Fee

Category	Early Bird	Regular
Participant	350	400
Student	250	280

Early Bird Payment: before 31st May 2024

Regular Registration: after 31st May 2024

All prices are in EUR (VAT included).

Fee includes: welcome reception, symposium materials, symposium lunches, dinner and coffee breaks, gala dinner, field trip fees, field trip lunch.
