

INTERNACIONALIZATION AREA

MASTER IN MANAGEMENT OF BUILDING COMPANIES

The companies located in the Valencian Community will choose a student who will take part of the managing staff of the sister company located in its country.

STUDENT'S RIGHTS:

- 1.- The selected students will enjoy a grant paid by the collaborating companies that will defray the training plan (includes the master's fees, stay and upkeep).
- 2.- AIDICO will administer a single trip from the student's origin country till the Valencian Community, and also the trip back to their countries. The cost of this trip is a part of the grant.
- 3.- AIDICO will administer the student's accommodation, that includes the use of a flat shared with other students of the master, the cleaning of the same, light, water, gas and communal expenses. (*)
- 4.- The student will also receive 600 euros a month for its upkeep, which will be basically used to pay for food and transport.
- 5.-Medical insurance against accidents during his/her stay in Spain

(*) If the student wishes to live in another place, the organisation won't assume the expenses of this other rent.

STUDENT'S DUTIES:

1.- The student must attend to all classes in AIDICO's facilities (Paterna), according to the Schedule established by the Master's directorship. Absences must be justified.

Start and end date:

Del 3 January de 2008 Al 28 November de 2008

Schedule of theoretical classes: (15 hours)

- Fridays from 9:00 to 14:00 hours and 15:00 to 20:00 hours.
- Saturdays from 9:00 to 14:00 hours.

2.- The student must perform an internship in the company that has paid for his/her grant, working from Monday to Thursday, according to the company's Schedule.

Internship: (32 hours)

- From Monday to Thursday (according to the companies Schedule)

3.- After the master has ended, the student must be available for its immediate incorporation into the company that has sponsored his/her grant.
