II. EQUIPMENT

II.1 Teaching and Research Laboratories

The teaching computer laboratory contains ten PC HP Vectra 486/50 Mhz and one HP Vectra 486/66 Mhz servers. The computers are connected to the local departmental Novell network. The laboratory is designed to teach the use of application software products (e.g., MS Word, MS Excel, price estimation, accounting, and economics).

II.2 Special Measuring Instruments and Computers

The Department is furnished with ten PC Pentium and seven HP Vectra 486/33 Mhz computers, one PC 486 DX, one Pc 386 DX, four PC 386 SX and three PC 286 AT. The computers are used for the teaching process and research activities.

IV. RESEARCH TARGETS

- Creation of the preconditions for the effective development of building enterprises during the period of transformation to a market economy
- Research on selected micro and macro-economic problems of developing entrepreneurial activities
- Value management
- Project management

V. RESEARCH PROJECTS

- Management of the Economic Effectiveness of Public Constructions (2000, Prof. I. Trávník, DSc., Z. Petránková, PhD.)
- Economic and Institutional Attributes of Developed Real-Estate Markets (2000, Prof. K. Ivanička, PhD.)
- Application of Project Management in Civil Engineering and Investment Projects (2000, Z. Petránková, PhD.)

VI. COOPERATION

VI.1 Cooperation in Slovakia

- University of Economics, Bratislava
- University of Technology, Košice

VI.2 International Cooperation

- N. T. P. E. Lyons, France
- Institute of Economics and Management, Technical University, Brno, Czech Republic
- Technical University, Faculty of Economics, Ostrava, Czech Republic
- Economic University, Vienna, Austria
- Institute of Economics and Management, Technical University, Prague, Czech Republic

VI.2.1 Visitors to the Department

- Prof. Pierre Robin – Head of Management and Humane Sciences Department, N. T. P. E. Lyons, France, April 2002

VI.2.2 Visits of Staff Members and Postgraduate Students to Foreign Institutions

- Ing. Rastislav Valovič, Leonardo da Vinci Programme, SK/01/F/PL-100 223 – Technical University Students in European Enterprises, Caenvedes, France
